Mentor & Mentee Comments

What was helpful about this patrol...

- Wide variety of positive comments covering almost all aspects of mentoring, no single issue stood out. **(60 comments)**

What could have been improved / comments... (41 comments, 11 said “Nothing”)

Some similar themes to prior years surveys

- **Matching Mentor and Mentee skills, and trail difficulty** (3 comments)
 - “10 hours on a difficult trail on a hot day! This was a long day”
 - I had requested less strenuous trails due to age and recent surgeries, but was assigned moderate to strenuous trails.
- **Scheduling Patrols to allow meeting more people** (4 comments)
 - We only talked to 2 hikers. Perhaps select a trail with higher odds of activity...
 - Select a trail with more opportunities to use ART .
- **Spot X and InReach Training** (3 comments)
 - Having clearer information on the use of the Spot-X

Note, no comments this year on “Seen vs. Contacted “ (4in 2019)
