

Trails for All committee update
February 16, 2023 PWV Board Meeting

Per Jeff Randa's suggestion, at least one member of our committee will be attending an event with the Green Latinos group at the Wolverine on Feb. 9. They will be having a hike of some sort a few weeks later and we hope to send someone along for that, too.

We are also reaching out to other groups in the Fort Collins area as part of our mission to increase diversity on trails.

Feb. 25 two or three of us will be snowshoeing with a group for which we did a workshop last fall on winter hiking. This will be on the Michigan Ditch Trail and will be a first snowshoe outing for the group. We should also have representation at the 2nd year and Spring Tune up events.

At least one of us will be at spring training in May.

We will be in contact with Matt Cowan regarding the development of an accessible trail in the Lady Moon area. It's been on the drawing board for over a decade. He had a meeting last year and has said he may have news for us. We're excited about the prospect of this trail!

Lastly, Tyler Peteren has resigned as our vice chair due to too many commitments with a new job. He hopes to rejoin us at some point but is unable to be on our committee at this time.
