

Ride With a Purpose

Join us on the National Forest Trails!

Do you enjoy trail riding on horseback? Come ride with us! Poudre Wilderness Volunteers is a group of 320 hikers and horseback riders who have in common a passion for the outdoors and enjoy public outreach. We have 280 miles of National Forest Trails to protect, maintain, and enjoy right here where we live. Some of the activities our group participates in are: trail maintenance, weed identification, trail head hosting, and programs for children. You can bring your pack llamas and mules too! We are accepting applications now for the 2020 season, go to our website at PWV.org to apply or send us an email (form on our website) with any questions.

Our motto is: **Be safe, have fun, and do a little work!**
